## Program Guidelines

- Interns take 12 classes per week (Monday – Sunday) from our open class schedule. We strongly recommend taking two classes per day.
- Each Intern will serve as staff at our Summer PULSE event July 26-29, working behind the scenes at this blockbuster workshop, and will also have the opportunity to take one class there as well.
- The BDC Summer Intern Program is a rigorous full-time course of study, so it is imperative that you come prepared to give your internship highest priority.

## Additional Information

- While we cannot provide housing during your stay, we are happy to suggest reliable and safe ways of securing accommodation.
- In many cases the BDC Intern Program may be accepted for college credit – please contact us for a list of universities that grant credit for the program, or speak to the Dance Department representative at your school.
- This program is only available for U.S. Citizens and Resident Aliens (Green Card holders).

## Tuition

- Tuition for our summer session is \$1,750, which includes all classes, seminars, Master Classes, performance opportunities, and counseling sessions.
- If you choose to take additional classes beyond your mandatory 12 per week, you may do so at a reduced class rate, or may extend your work hours in exchange for discounted classes.
- Once you are accepted into the program, a deposit of \$875 (half tuition) is due as soon as possible after acceptance to secure your spot: the balance is due upon starting the program.
- There are no refunds once you have begun the program.
- Admission is rolling and so acceptance notification will be on an ongoing basis. If you are accepted, the first half of your tuition will be due within 30 days of your notification in order to secure your spot.
